

1600sf 3/3 Bar

The wrap around second floor deck gives this two story linear design with deep shaded outdoor spaces and private side yard for the living space to open onto.

In addition to our standard sustainable building features, specific design amenities include

- living opens to large side yard
- deep shaded outdoor spaces on first and second levels
- built in desk area
- double height feature stairwell
- pull out pantry
- off street rear parking
